March 9, 2009

Changes for 2009.

Due to increased park fees we're raising the entry fee to \$25.00 per player \$50.00 per team.

Men's Open will be Rally Scoring, I'm not a big fan of it but more players are requesting it. All other divisions will remain Sideout Scoring.

We will once again be renewing our relationship with Powerzone Volleyball. We will be issuing the following types of memberships:

1. Summer Membership is good only for the summer to all outdoor events - \$10.00 per season – tag issued
2. One Day Memberships is good for the day - \$5.00 – no tag issued – this is not good for both days of the weekend tourney

You may sign up the day of the tournament or bring your current Powerzone membership card to sign up.

Late registration time will remain 8:30. So we have time to set up the pools and get you started by 9:00.

We will be strictly enforcing the late fee surcharges, \$5.00 per player if pre-registered, \$10.00 per player if registering the day of. Registering late does not guarantee you a spot in your desired level. In order to accommodate other players we may place you in a higher level.

Day of registrant will cost \$30.00 per player, if you pre-register, either by web, email or phone the registration fee will be \$25.00.

Pre-registering does not require pre-payment, you may still pay the day of the tourney if you pre-register.

Sincerely,

Frank Sanfilippo Jr.
